

Lagotto Romagnolo Club of Canada

To All Fellow Lagotto Lovers;

The Lagotto Romagnolo Club of Canada is here for you. Whether it be questions concerning health, nutrition, grooming, training, etc., the club is here for you.

In addition to increasing awareness about our wonderful breed, our goal is to protect our breed through education and the readiness of resources and materials. We are a new club and need lots of help to accomplish our goals.

As a lover of the Lagotto Romagnolo, we ask that you join us on our mission to protect the breed by becoming a member of our club. For a small annual fee, your participation will help us to earn and maintain our accreditation as the official national breed club with the Canadian Kennel Club, as well as help support our many future goals such as rescue & rehoming, breed education, events and much more.

We are always open to feedback and would love to hear from any members wishing to participate in our various committees.

Please visit www.lagottoromagnoloclubofcanada.ca to join our Lagotto family!
